**Catalogue Number: 308729**

## **Description**

2014 marked the 350th anniversary of the Royal Marines, one of the world's most admired ensembles. Famed throughout the world for their immaculate appearance, drill and musicianship, the bandsmen and women of The Royal Marine Bands combine military precision and discipline with an artistic interpretation that places them in the top level of musical ensembles. To celebrate the remarkable achievements of the past three hundred and fifty years, this limited edition deluxe box-set comes with three CD's, a documentary DVD, and a commemorative, glossy book featuring photographs & history, a certificate of authenticity and a letter from HRH Prince Philip.
